

CUSTOM APPLICATIONS

Custom Applications

Customization is available with Compatible Filing Products. The most popular requests are illustrated below. Call for a quote.

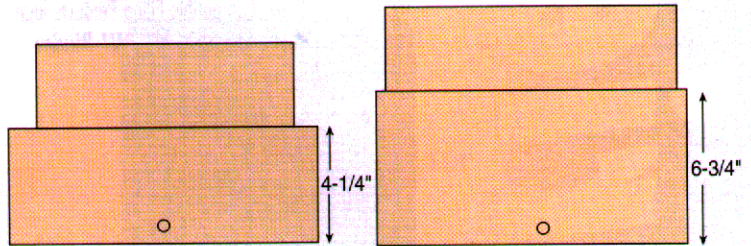

Custom Printed File Folders

Printing is available on any panel of the folder. Five standard colors for imprinting are available: black, blue, red, green, and yellow. Or, we can match any color required for your application. 500 folder minimum.

Pockets

Two file pocket styles are available for installation on to our standard file folders. Installation available on any panel.

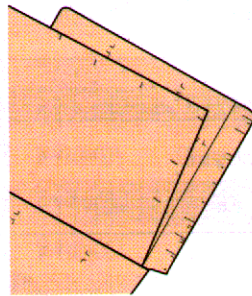

Pocket with Short Front Panel

The short front panel is designed for easy access to its contents. Closed on three sides and open at the top. 9-1/4" w x 4-1/4" h front panel 9-1/2 point manila stock, 500 min.

Pocket with Tall Front Panel

The tall front panel is designed to securely hold small documents. Closed on three sides and open at the top. 9-1/4" w x 6-3/4" h front panel 9-1/2 point manila stock, 500 min.

Dividers

File dividers separate the internal contents of file folders. Use of these dividers allows you to keep key information segregated for convenient access to material. The letter sized divider has embossed position marks around the edges to receive standard indexing labels. Dividers are die cut for optional use with W-103-TP twin-prong fasteners. Factory Installed 11-1/4" w x 9-1/2" h, 11 point manila stock, 500 min.

Fasteners

Bonded Fastener

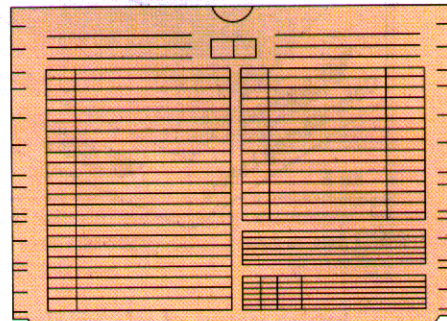

2" Factory installed fastener
500 min.

Labels

We will affix our alpha, numeric, year, solid color or special classification labels to match any customer system. Name labels, furnished by the customer can be applied.
